MANDI INSPIRES ME Wristbands

Thanks to Notre Dame alumnus, Walker Morrison '06, orange wristbands have been made in honour of Mandi Schwartz who passed away April 3, 2011 after a courageous two-year battle with leukemia. The wristbands are orange, the colour that supports leukemia. The front of each wristband says 'MANDI Inspires Me' with the cancer ribbon in front and behind the message. The back has Mandi's number #17 and her favorite quote 'Never Lose Heart'.
Wristbands come in both Adult and Youth sizes.

Your donation will go to the Mandi Schwartz Memorial Bursary to offer financial assistance to future Notre Dame Hounds (75% net), and to The Leukemia and Lymphoma Society of Canada (25% net). If your gift is in US funds (over $10), we will forward your gift to The Friends of Athol Murray College of Notre Dame in the US, so that you may receive a US tax receipt.

You may also give online by clicking on the Canada Helps 'Donate Now' button at:
